PLANT NOW—ENJOY SPRINGTIME BEAUTY

All bulbs on this page must be planted from September to December to exhibit the gorgeous rainbow of colors they bring to your garden next spring.

**ORDER
EARLY**

SUPER-SIZE DARWIN TULIPS

Our grower in Holland has, through careful selecting, culling, hybridizing, and cultural methods, produced a superior flowering strain of Darwin Tulips. The varieties we offer are improved strains of the older and more expensive varieties. These varieties offer a complete color range at a low price. Plant 4 inches deep.

SINGLE EARLY TULIPS

COULEUR CARDINAL—Brilliant crimson, slightly dewed outside but inside glittering scarlet, large fine shaped flower of very great substance, strong stem. A grand variety for medium early and late bedding purposes.

IBIS—Splendid rose, large flower, early. One of the best pink varieties.

KEIZERSKROON—Bright red with broad golden yellow border, extra large flower on tall strong stem. Very effective for bedding.

PINK BEAUTY—Deep rose with white flush outside, very large well formed flower of stately appearance. A popular first-class Tulip for beds and borders.

SUNBURST—Orange-red with yellow

YELLOW PRINCE—Bright yellow, feathered with red when in full bloom; very sweet scented.

DARWIN TULIPS

BARTIGON—Clear crimson red, one of the best red Darwins on account of its strong stem, and medium height. Fine for cutting and bedding.

CLARA BUTT—Clear, self-colored salmon rosy pink, very popular, unsurpassable for beds.

DREAM—Beautiful soft uniform lilac.

FARNCOMBE SANDERS—Fiery rose scarlet, inside vivid cerise scarlet with white centre, marked blue; large broad petalled flower of perfect shape.

LA TULIPE NOIRE (The Black Tulip)—Very large flower of a unique color, very beautiful.

PRIDE OF HAARLEM—Cerise scarlet, an enormous flower of superb form and grand beauty; a stately plant for borders and amongst shrubs.

PRINCE OF WALES—Bright rose scarlet, very large.

YELLOW GIANT—Deep yellow on tall stem.

LOUIS XIV—Dark purple flushed with bronze, edging to golden brown, inside purple, a flower of great substance.

PRINCE OF ORANGE (Orange Beauty)—Deep orange red, golden orange margin.

BREEDER TULIPS

APRICOT—Apricot, flushed orange.

BRONZE QUEEN—Pleasing shade of bronzy buff, inside golden bronze, popular variety.

INDIAN CHIEF—Coppery red, large flower of exquisite form, long stem.

VELVET KING—Purple violet.

TULIP ARISTOCRATS DIRECT FROM HOLLAND

Ancestry, climate, and soil are essential to have large enhancing blooms on long stems. SPRING HILL offers only the finest direct imported super-size Tulips. There are cheaper bulbs but we guarantee no bulbs of equal size and quality are priced as low as our SUPER-SIZE. BUY NOW the greatest Tulip values ever offered.

MIXED DAFFODILS

A good assortment of the finest varieties, all excellent for naturalizing, border, and group plantings.

Excellent for cut flowers and beautiful colors in your garden each spring. These hardy plants need no winter protection and little or no care. Plant 5 inches deep. Specially priced to move our surplus. At this low price you should not be without these spring beauties. Large blooming size bulbs. 6 for 47¢; 12 for 79¢; 25 for \$1.40; 100 for \$5.45.

HEAVENLY BLUE GRAPE HYACINTH

MUSCARI—The flowers are grape-like clusters closely set. Free blooming. Grows well in any location. Excellent for naturalizing in rockeries and a fine early cut flower for short-stemmed bouquets. 10 for 49¢.

DAFFODILS

RED CORAL LILY

TENUIFOLIUM—An abundance of coral-red flowers. One of the most beautiful lilies in cultivation. 25¢ each; 3 for 69¢; 10 for \$1.98.

GOLD BANDED LILY

AURATUM—The largest of the Japanese lilies. White with gold bands and crimson dotted throat. 30¢ each; 3 for 79¢; 6 for \$1.50.

REGAL LILY

That sensational and most charming lily from China. Beautiful white blooms striped with pink. Free blooming. 2 for 29¢; 5 for 69¢.

CROCUS

Spring flowering varieties that are the welcoming of Springtime. Their dainty colored flowers of blue, yellow, white, and striped are exquisite for naturalizing in the lawn. Super-size bulbs that will have 6 to 10 blooms per bulb next spring. Assorted colors. 10 for 49¢; 25 for 97¢.

DOUBLE EGYPTIAN LILY

A striking lily you will be proud to exhibit. A valuable plant for all gardens. Very hardy and of easy culture. A rare lily destined to be a leading variety. Double, bright, coppery-orange flowers borne in profusion. Large blooming size bulbs. 27¢ each; 2 for 47¢; 6 for \$1.29.

Note—Everblooming Mammoth Lily see page 1

BEST NEW EVERGREENS

GREATEST VALUES EVER OFFERED IN GRAFTED EVERGREENS

Now is your opportunity to buy the best newer expensive evergreens at amazing prices. At this low cost these better evergreens will add more value and beauty to your property than any other investment. Each year we graft nearly one hundred thousand of the fine plants.

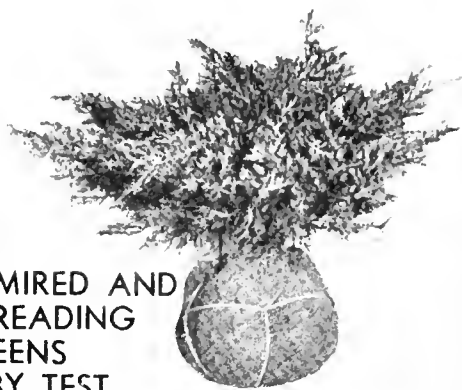

While the plants we send you are small, they have been grafted a year and are ready to start making rapid growth next year. It will pay you to invest in these varieties which are the cream of all evergreens.

Pfitzer Juniper

1-JUNIPER VA. BURKII—New tall growing evergreen with delicate lacy, silver foliage which turns to a beautiful pinkish lavender each fall. A wonderful contrast evergreen. Mail order size.

2-JUNIPER VA. GLOBOSA—Growth similar to Globe Arbor Vitae. Grows naturally into an oval or globe plant. Best and most expensive globe evergreen. Disease, drought, and winter do not affect this beautiful dark green Juniper.

POSTPAID

3-JUNIPER VA. SMITHI—A semi-dwarf evergreen with distinct bright green foliage summer and winter. A good upright plant where not too large a plant is desired. This variety is admired by all who see it.

4-JUNIPER CHINENSIS ASHFORDI—A tall, narrow columnar Juniper. Foliage light bluish green. Plants should be sheared when young.

5-JUNIPER VON EHROH—A new dwarf spreading evergreen with waxy green foliage. Develops fast and gracefully. A new gem for rockery and foundation plantings.

6-JUNIPER MEYERI—The evergreen of four colors. Decidedly striking blue, shading to pink, blue-green, and yellow. Its unique coloring and dwarf habit of growth make this the most valuable dwarf evergreen.

7-JUNIPER PYRAMIDALIS—A classy, slender, pointed, light green Juniper. Tall growing, with distinct soft coloring and perfect habit of growth make this handsome evergreen fine for landscaping entrance ways and foundations.

MOERHEIM SPRUCE—The bluest of Blue Spruces, making it the most conspicuous of all evergreens for ornamental planting. Ideal when planted as a specimen. 5-year-old plants \$1.00 each; 2 for \$1.50.

**FIVE MOST ADMIRABLE AND
PLANTED SPREADING
EVERGREENS
THE BEST BY TEST**

JUNIPER BAR HARBOR—A low creeper with striking dark, metallic blue foliage and dense habit of growth. Spreads in a lovely position, seldom over 6 inches above the ground. Can be trimmed if spreads beyond border or foundation planting. 3-yr.-old plants, 9 to 12 inches. 40c each; 3 for \$1.09.

JUNIPER ANDORA—A picturesque spreading, silvery-green, compact growing plant. Turns a delightful pinkish mauve or silvery purple each fall. 4-yr.-old plants, 10 to 15 inches. 40c each; 3 for \$1.09.

GOLDEN ROD JUNIPER—(Juniper Conspicua Aurea)—A grafted spreading evergreen. Habit of growth like Juniper Pfitzeriana. Luxurious golden plumy foliage. 4-yr.-old plants, 12 to 15 inches. 40c each; 3 for \$1.09.

JUNIPER SABINA—A dwarf spreading vase-shaped evergreen with dark green glossy foliage. Rather slow growing. Does not spread so much as other flat-growing varieties. 4-yr.-old plants, 12 to 15 inches. 40c each; 3 for \$1.09.

JUNIPER PFITZERIANA—The universal evergreen. Grows well under all normal conditions. Grows equally well in South, East, West, and far North. A plant admired for its beauty as well as hardiness. Strong 3 yr. mailing size plants, 12 to 15 inches. 40c each; 3 for \$1.09.

TAXUS CUSPIDATA—HARDY JAPANESE YEW—Waxy shiny green foliage of irregular and picturesque outline. Thrives in dense shade, drought resistant, and withstands smoke and city gases, but does not like hot sun.

Choice: Cuspidata Spreading—Cuspidata Upright. 10 to 12 in. 35c each; 3 for \$1.00.

PINK CUSHION CHRYSANTHEMUM
Covered with hundreds of blooms the first year. A solid mass of beautiful double lilac-pink flowers from August till late fall. The first pink Chrysanthemum to bloom. Strong pot plants, just the right size to transplant. 27c each; 3 for 75c.

CARNATION CRIMSON KING

A new hardy double Carnation equalling those grown in greenhouses, yet withstands a winter temperature 20 degrees below zero. Flowers produced from July till frost. Strong pot plants that will bloom this year. 30c each; 3 for 75c.

Tippecanoe City, Ohio

Established 1849

Prices are rising, but prices in this catalog are no higher than during the past few years. Next spring will see a marked advance in all lines of Nursery Stock. We urge you to take advantage of these prices and plant now. Fall is the ideal time to plant.

Nursery Stock should be planted at this season of the year. Your order will be filled promptly. No other investment you can make will pay such big dividends in both pleasure and profit as will dollars invested in trees and plants that grow

GENERAL INFORMATION

Everything in this catalog that can be conveniently shipped by parcel post will be sent to you PREPAID.

ALL TREES and EVERGREENS and a few other items too large to be sent parcel post will be shipped either EXPRESS or FREIGHT, carrying charges Collect.

TERMS

Remittance should accompany the order. It may be made in the manner most convenient to you, by check, money order, draft, or currency.

UNLESS REMITTANCE ACCOMPANIES ORDER, ALL STOCK WILL BE SHIPPED C. O. D. Remember, this way of shipment costs more.

NO ORDERS FOR LESS THAN \$1.00 ACCEPTED.

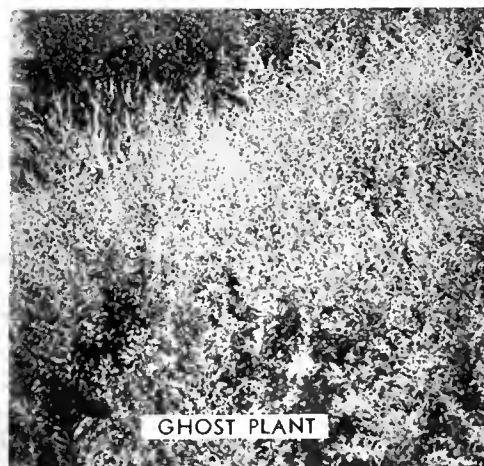

GUARANTEE

We guarantee all our stock to be true to name, good, clean, healthy, and first class and to reach you in good growing condition, or the orders will be refilled at no charge, provided the complaint is made immediately upon arrival of stock. Should complaint or report not be made within 10 days after arrival of stock, it shall be mutually understood that the stock is satisfactory and no replacement is warranted.

While we have no control over plants after shipment has been made, as their growth depends upon water, soil, proper planting, etc., we will replace stock at one-half the purchase price, provided complaint is made by December first of the same year the stock is shipped. It is mutually agreed and understood that we cannot be held responsible for a greater amount than the original purchase price of stock.

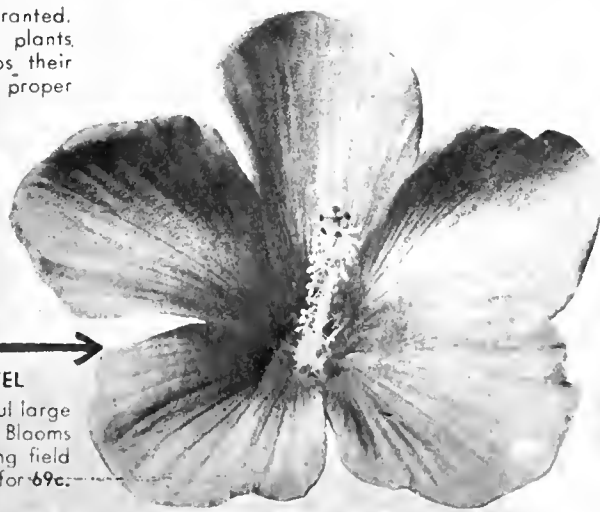

RED GIANT MALLOW MARVEL

Largest flowering perennial. Beautiful large red flowers 6 to 10 inches across. Blooms from July until killed by frost. Strong field grown plants 16c each; 3 for 40c; 6 for 69c.

GHOST PLANT

Silvery white foliage from early spring until late fall. Can be cut and dried for winter bouquets. Excellent for blending with summer bouquets. 3 for 39c.

MAJESTIC EVERGREENS

ADD VALUE AND PERMANENT BEAUTY

Enjoy the exquisite color blending of golden, silver, metallic blue, deep and light green tones in your planting.

IMPORTANT NOTICE: To save you, our valuable customers, delivery charges, our evergreens will be dug with bare roots, puddled in mud, and wrapped in wet moss for shipment. All evergreens shipped express collect.

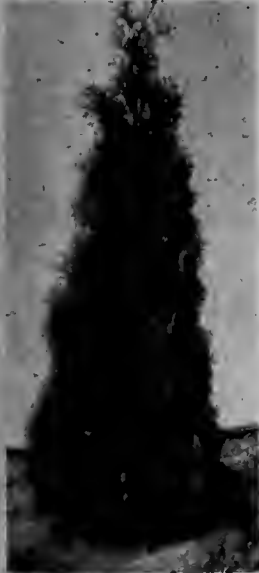

(NOTE: B. & B. means balled and burlapped which indicates plants are dug and the earth retained in a solid ball around the roots which is held together by firmly wrapping it with burlap. If you wish plants dug B. & B. add 50c per tree to cover extra digging,

and boxing expense.)

All plants on this page are large fully developed transplanted plants which have been trimmed for 3 years or more and fertilized which insure vigor, beauty and well shaped plants.

We guarantee all evergreens listed below to be heavy, well developed, fine grown stock. They are not small untrained open growing plants.

DECORATIVE ARBOR VITAE

(AMERICAN ARBOR VITAE)—Very good, upright, thickly branched and beautiful dark green glossy foliage. Excellent for foundations, hedges, and grouping. Heavy hand-trimmed, fully developed, compact growing plants. 24 to 30 inches, 74c each; matched pair, \$1.38; 3 to 4 ft., 98c each; matched pair, \$1.69.

(GLOBOSA)—A dense compact dark green Arbor Vitae which grows naturally in a globe form. The dwarf habit and pretty natural globe shape make this a fine landscape evergreen. Heavy field grown, symmetrical plants. 15 to 18 inches, 89c each; matched pair \$1.69.

PYRAMIDAL ARBOR VITAE—Grows naturally tall. A slender column of densely branched dark green foliage. Few evergreens can fill its place in a landscape effect. Heavy plants 24" to 30" \$1.35 each; matched pair \$2.45.

(SIBERIAN)—Similar to Globe Arbor Vitae with thicker foliage. Distinctly dwarf and hardy. Specially priced for fine stocky, trimmed plants. 15 to 18 inches, 74c each; matched pair \$1.38.

(GOLDEN ARBOR VITAE)—A compact golden Arbor Vitae the same as American Arbor Vitae except it has a beautiful soft golden foliage. Very hardy. Heavy perfect plants, hand trimmed. 24 to 30 inches, 89c each; matched pair, \$1.69; 3 to 4 ft., \$1.09 each; matched pair, \$1.98.

(SILVER TIP ARBOR VITAE)—Thuya Elegantissima—Is considered the best general purpose evergreen that grows. Striking white on tips. Heavy perfect plants, hand trimmed. 24 to 30 inches, 74c each; matched pair, \$1.38; 3 to 4 ft., 98c each; matched pair, \$1.79.

THE STURDY AND POPULAR SPRUCES

The most planted evergreens as outdoor living Christmas Trees. They make fine ornamental plants and are used extensively for hedges and windbreaks. The Spruces are rapid growing, hardy, and especially attractive.

NORWAY SPRUCE—The most extensively planted outdoor living Christmas Tree. Fully developed, symmetrical, compact plants. 2 to 3 ft., 79c each; matched pair, \$1.39; 5 for \$2.98; 3 to 4 ft., 98c each; matched pair, \$1.76; 5 for \$3.98.

WHITE SPRUCE—The select, hardy, northern strain with foliage almost as blue as Blue Spruce. Short, compact habit of growth. Priced ridiculously low. 2 to 3 ft., 89c each; matched pair, \$1.59; 3 to 4 ft., \$1.15 each; matched pair, \$1.98.

FOUR ROCK GARDEN EVERGREENS

One each of golden, blue, silver, and green color. Select stocky plants; three and four years old. Can be used in rock gardens or any other place.

THE PICTURESQUE PINES

THE STRIKING ORNAMENTAL JUNIPERS

Junipers are the most ornamental of all evergreens. Their striking colorful foliage, habit of growth, varying from tall pyramidal or upright plants to low prostrate or trailing forms, make them the most valuable of all landscape evergreens.

GRAFTED JUNIPER CHINENSIS MASCULA—A decorative densely branched upright Juniper with distinctive green foliage. A truly wonderful upright pyramidal evergreen. Large, heavy, hand-sheared, fully developed, landscape size plants. 2½ to 3 ft., \$1.35 each; matched pair, \$2.45; 3 to 4 ft., \$1.75 each; matched pair, \$3.25.

GRAFTED SILVER PLUME CEDAR (Juniper Scapularum)—Compact fine, lacy, silver foliage. The rich silver color, rapid growing habit, and thick set foliage make this a gem of the tall growing Junipers. A wonderful contrast evergreen. Heavy sheared, fully developed, landscape size plants. 2½ to 3 ft., \$1.35 each; matched pair, \$2.45; 3 to 4 ft., \$1.75 each; matched pair, \$3.25.

GRAFTED BLUE JUNIPER—The leading blue evergreen. One of the best hardy upright Junipers. Heavy sheared, fully developed plants. 24 to 30 inches, \$1.35 each; matched pair, \$2.45; 3 to 4 ft., \$1.75 each; matched pair, \$3.25.

GRAFTED GOLDEN ROD JUNIPER (Juniper Conspicua Aurea)—A rare variety of spreading growth similar to Juniper Pfitzeriana but with delightful golden plumy foliage. Heavy sheared, fully developed plants. Offered at bargain prices. 18 to 24 inches, \$1.15 each; matched pair, \$2.10.

JUNIPER ANDORA—One of the better and newer low spreading evergreens with unique color. A compact plant with pretty green foliage changing to silvery purple each fall. Not over 6 to 8 inches high. Hand trimmed plants of perfect shape. 15 to 18 inches, 89c each; matched pair, \$1.64; 5 for only \$3.75; 2 to 2½ ft., \$1.25 each; matched pair, \$2.39.

BUY NOW

This is the last season for many years you will be able to buy trees and plants at these low prices.

(AUSTRIAN PINE)—Larger darker green needles on stiff thickly set spreading branches. Best pine for screen, group, and specimen planting. Heavy hand-trimmed, compact growing plants. 24 to 30 inches, 74c each; matched pair \$1.38; 3 to 4 ft., 98c each; matched pair \$1.79; five 3 to 4 ft. plants for only \$4.29.

CHOICE EVERGREENS FOR STATELY HEDGES AND WINDBREAKS

You can now plant evergreens for hedges at low cost with Spring Hill's wholesale prices. See descriptions of the following small evergreens for hedges above.

BIOTA OR ORIENTAL ARBOR VITAE

Similar to the regular Arbor Vitae with thick foliage and more symmetrical but not as hardy.

CHINESE BIOTA

A pyramidal or upright plant with glossy dark green foliage. Fast growing and a good landscape plant. Can be trimmed to any desired shape. Heavy sheared, fully developed plants. 2 to 3 ft., 69c each; matched pair, \$1.24; 3 to 4 ft., 89c each; matched pair, \$1.64.

BIOTA GOLDEN DWARF

The prettiest dwarf upright evergreen. Its perfect shape, golden foliage, and compact growth make it fine for foundation, formal, and group plantings. 15 to 18 inches, 89c each; matched pair, \$1.59.

(MUGHO OR DWARF PINE)—The best compact globe-shaped dwarf pine. Used extensively in group plantings, for its formal effects. It never grows over 3 at 4 ft. tall and may be kept smaller by shearing each spring. Compact, fully developed, field grown, hand trimmed plants. 12 to 15 inches, 98c each; matched pair \$1.79; 15 to 18 inches, \$1.29 each; matched pair \$2.35.

DWARF SOLDIER ARBOR VITAE

(JUNIPER PFITZERIANA)—The best evergreen that grows. Handsome nodding branches of grayish green. Large, fully developed, hand-sheared plants. 18 to 24 inches, \$1.30 each; matched pair, \$2.40; 2 to 3 ft. \$1.65 each; matched pair, \$3.45.

Blue Ribbon

WITH 87 YEARS' EXPERIENCE
SELECTING AND IMPROVING

In the year 1849 Peter Bohlender, founder of Spring Hill Nurseries, began his lifetime work of raising fruit trees. His work was continued by his sons and now the third generation, Peter Bohlender's grandsons, are continuing and have active management of the business.

PETER BOHLENDER

Fruit Trees

WRITE US FOR FREE INFORMATION
ON COMMERCIAL ORCHARDS

Our growth from a small nursery of a few acres to our present standards was made possible by thousands of our customers who know the importance, value, beauty, and comforts trees and plants add to home life and who have found **SPRING HILL'S BLUE RIBBON** superior fruit trees pay big dividends.

APPLE TREES

DELICIOUS—A large, beautiful, deep red variety of unsurpassed quality.
YELLOW TRANSPARENT—The money-maker of the early varieties.
McINTOSH—Deep crimson. Unsurpassed for high quality. A juicy fall apple.
STAYMAN'S WINESAP—Extra large, red fruit with juicy yellow flesh. Fine for eating, cooking, or keeping.
JONATHAN—A general favorite with beautiful large, red fruit produced abundantly in late fall.

GRIMES GOLDEN—The rich, aromatic, golden fruit is fine for eating and cooking.
WEALTHY—The outstanding variety and money-maker for mid-season.
ROME BEAUTY—A great profit maker. Fruit red striped and of good quality. One of the best keepers.
EARLY HARVEST—Large, early, yellow apple. Its tender, juicy flesh is prized by the housewife for dessert and cooking.
BALDWIN—Large, bright red, juicy, rich winter apple.

QUALITY GRASS SEED

SHADY SPOT—EVERGREEN LAWN

KENTUCKY BLUE GRASS

QUALITY GRASS SEED

Spring Hill's select grade of triple-tested seed is from the choicest seed in the world. The drought has taken its toll and good grass seed is scarce so we advise you to buy now at these low prices. Fall seeding is the ideal time for quick, thick, velvety green lawns. For new lawns 1 lb. of grass seed will sow 200 square feet.

EVERGREEN LAWN GRASS

Is composed of Kentucky Blue Grass, Red Top, English Rye Grass, White Clover and other fine grasses. We combine these because they grow quickly and protect the blue grass, giving a good sod in six weeks' time. 1/2 lb. **27c**; 1 lb. **45c**; 5 lbs. **\$1.89**.

KENTUCKY BLUE GRASS

The best known of all the natural grasses, does well everywhere and is very hardy. Is largely used in lawn making and starts growing early in the spring, continuing until the ground freezes late in the fall. 1/2 lb. **27c**; 1 lb. **45c**; 5 lbs. **\$1.89**.

"SHADY SPOT" LAWN SEED

For the shady places in your yard we have prepared a mixture of grasses. Before sowing in such places it is well to rake the surface thoroughly and then apply lime. 1/2 lb. **29c**; 1 lb. **50c**; 5 lbs. **\$1.98**.

GRAPES FOR PLEASURE AND PROFIT

CONCORD GRAPES—The most popular grape in the United States. More Concord grapes are in bearing now than any other variety. Price, 12c each; 5 for **47c**; 25 for **\$2.25**.

DELAWARE GRAPES—Small compact red bunches of delicious berries. Excellent for desserts and eating. Price, 15c each; 5 for **65c**; 25 for **\$2.75**.

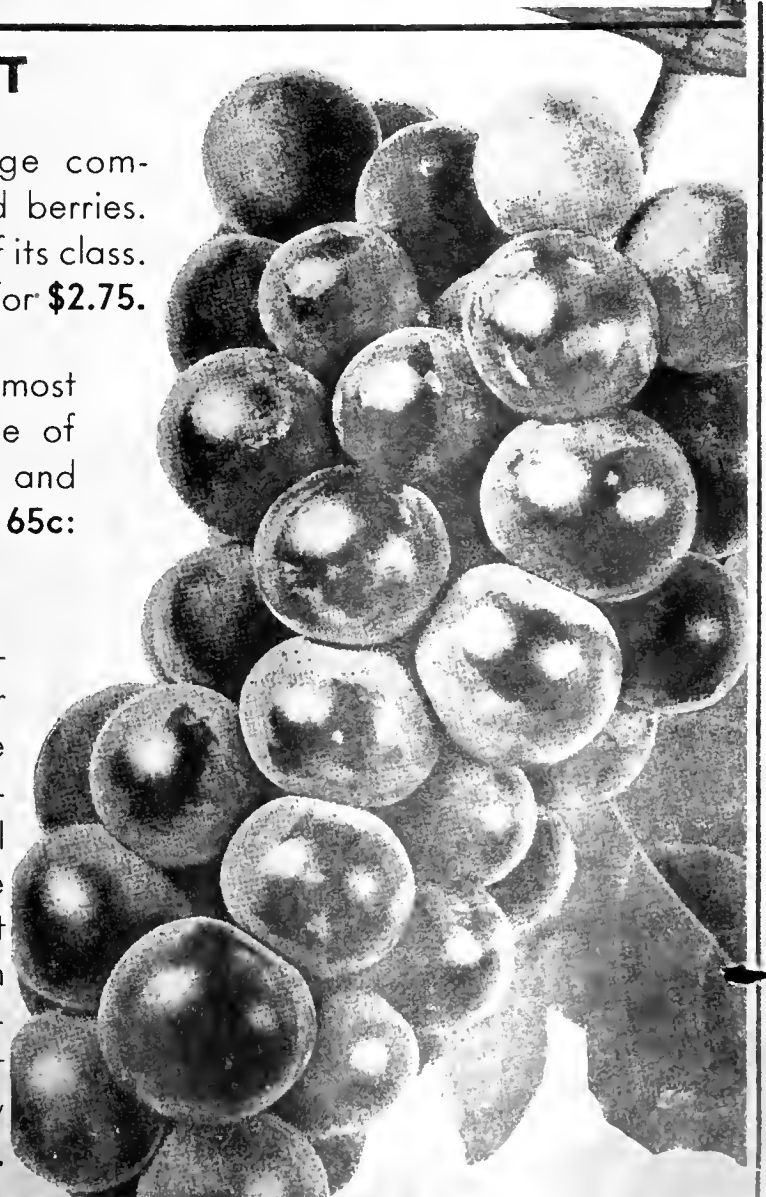

CATAWBA GRAPES—Best red variety and the last to ripen. Excellent for jams and jellies. Price, 15c each; 5 for **65c**; 25 for **\$2.75**.

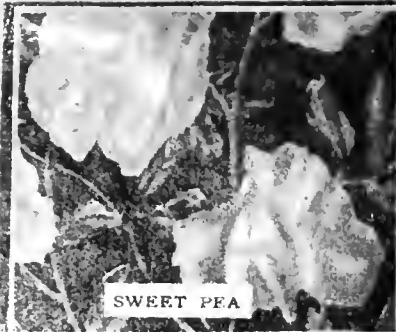

MOORE'S EARLY GRAPES—A good reliable black grape. As good as Concord, but ripens a week earlier. Profitable because of its earlier ripening. Price, 15c each; 5 for **65c**; 25 for **\$2.75**.

AGAWAM GRAPES—Large compact bunches of beautiful red berries. Very productive and the best of its class. Price, 15c each; 5 for **65c**; 25 for **\$2.75**.

NIAGARA GRAPES—The most popular and best white grape of high quality with large bunches and berries. Price, 15c each; 5 for **65c**; 25 for **\$2.75**.

FREDONIA GRAPES—Considered the best of the newer varieties. Federal and state authorities alike highly recommend for home and commercial plantings. It will eventually take the place of the Concord, as it is fully 10 days earlier with larger bunches and blue berries. Supply limited. Order at once. Save money on this new grape at 30c each; 4 for **\$1.00**.
